The Experts in Non-Surgical Facial Rejuvenation
Diamond Elite Artefill Provider
Inland Empires Premier Body Sculpting Center

We are so excited to announce that Skin & Beauty Aesthetic Center has been honored with the Diamond Elite Provider Award for 2011 by Suneva Medical, makers of Artefill. Diamond Elite status is the highest level attainable by Artefill providers. With only 20 of these awards given worldwide we deliver unsurpassed skill and expertise in the injection of Artefill.

Skin & Beauty Aesthetic Center is a full service Medical Aesthetic Center with state of the art technology, that specializes in Non-Surgical Facial Rejuvenation, and the most Elite Body Sculpting Treatments. Dr. Richard L. Preci, D.O. and Judi Castro, RN, MEP-C, APRN, CAC both work hand in hand with each member of our medical staff to deliver expert results. With over 17 years of experience Judi Casto is recognized as a leader in the Aesthetic Field, providing treatment to some of your favorite celebrities in the LA area. Skin & Beauty Aesthetic Center is not only the most advanced medical aesthetic center, but also serves as a training center for fellow physicians and nurses seeking to advance their knowledge.
